Editor's Corner

We are finally getting back to enjoying running our dogs in Hunt Tests and Field Trials So nice to be able to visit with friends and talk dogs and training. Hopefully Covid gets lost and we can get some rain, our grounds desperately need some water.

If you have any suggestions or articles for the newsletter please forward them to me, I really appreciate any help I can get.

Send in your pictures for the draw for the next cover.

ASSOCIATION

Preserving Working Retrievers Since 1935

The MGDA was originally formed in 1935 by a group of hunters and sportsmen with an interest in training retrievers for waterfowl hunting and competition. Incorporated in 1972, The Manitoba Gun Dog Association Inc. has played an important role in Canadian working retriever history. Today the MGDA has approximately 75 members. The Club hosts two Canadian Kennel Club licensed Field Trials and two CKC licensed Hunt Tests annually.
